Dear Members, Gareth McFadden and James Tosh want to provide prompt and diligent pastoral care to our members who fall into times of illness or medical treatment. We want to remind you that it is no longer the normal pattern that the Hospitals (either directly or through chaplaincy) inform church ministers of our members being admitted. Therefore, we ask that family members ensure we are phoned directly so we know of your need of pastoral care.

## ATTENTION

### **ALL ORGANISATIONS & CHURCH MEMBERS**

The Church is facing huge increases in energy costs. We are now in the season when we will be using more heating & lighting during use of the Halls etc so could we all please ensure that when leaving the Church and/or Church Halls that **all lighting and heating has been switched off and that all doors are locked.**

It will make for good practice if all Leaders etc could sweep the buildings that they have been using to ensure all is switched off - **especially in toilet areas and store areas.**

Thank you for your support in helping to eliminate these unnecessary energy costs.
